Native prairie flowers and grasses

Prairie plants are finding their way back into Iowa's landscapes, not only on public lands, but also in private gardens and yards. Native species are well adapted to Iowa's soils and climate, and provide biodiversity that helps attract wildlife. Order native prairie flowers and grasses today!

Cost is \$0.50/plug. Minimum order of 3 plugs per species. Each plug is about 1.25" wide by 3" deep.
